About Me

Born in 2003 in Mostar, Bosnia and Herzegovina. Currently studying Computer Science and living in Zagreb. My primary focus is web application development using React and Next.js, though I am also interested in other areas of programming and software development. I am currently developing a startup within the BIRD Incubator, working on Cineo, an AI-driven movie library that leverages machine learning to simplify film discovery and management for users.

Skills

Main Focus: React.js, Next.js, JavaScript, Redux.js, Node.js, Supabase, SQL, HTML5, CSS3, Tailwind CSS

Basic Knowledge: Python, C, C++, PHP

Other Skills: Git, GitHub, Adobe Premiere, Photoshop, Lightroom, Figma, Office 365, Trello, Slack
